

Supported by the Newburyport Elementary PTO

Bresnahan Green Team

Bresnahan Green Team's goal is to foster a connected green community in which students become life-long environmental stewards.

Students voted for our new Green Team logo. Be Green!

Volunteers needed:

Classroom Ambassadors
Earth Day Challenges
Lunchroom Recycling

Green Team Initiatives:

Recycle your textiles! Ecosmith Recyclers textile recycling bin is located at the back entrance of the Bresnahan School (off of North Atkinson Street). Ecosmith Recyclers will make quarterly donations to the PTO based on the amount collected. Stained textiles accepted.

Recycle the following:

- Clothing
- Household Linens
- Paired Footwear
- Stuffed Animals
- Belts & Pocketbooks

Say 'no' to plastic bags! Each time you shop with participating retailers and say 'NO' to disposable bags at checkout, you can earn money for PTO to support our schools. Please join us and start counting change today! Use with your smartphone. To learn more: <http://www.getmyeco.com>

Recycle drink pouches and much more!

TerraCycle provides free waste collection programs for hard to recycle materials (including drink pouches, chip bags, tooth brushes and many more). They then turn the waste into affordable green products. These

products keep waste out of our landfills and contribute to a cleaner world. Bresnahan Green Team would like to offer TerraCycle in each classroom and the cafeteria but we need your help!

Community Resources

Crow Lane Recycling Center,
Crows Lane off of Low Street
Open the first Saturday of each
month from 8 am-12 noon.
TerraCycle collection.

Recycling Tip

TerraCycle has partnered with Staples to offer in-store binder recycling. For every used binder you bring in, you'll receive a \$2 credit toward the purchase of a new binder. Old binders are then upcycled or recycled for use in the creation of various new products.

Watch for more announcements in Take A Look Tuesday.

 Reuse & Recycle
