NYS Kenya Service Trip Fundraiser

The Motivate Barre, Inc. team is donating time and space to help protect young Kenyan girls! Newburyport Youth Services has partnered with The Divinity Foundation to perform service projects to protect the girls of Kenya from Female Genital Mutilation and provide them with education and a brighter future. The first NBPT group headed over last November and a new crew is departing for Kenya this July for a continued multi-year partnership. Go to www.motivatebarre.com and then head to Workshops & Events to take a look.

Each class has minimum of \$15(cash only) donation. To get in the spirit of things, classes will be taught to African music! To put things into perspective, \$1 buys a child a meal or a pack of sanitary pads for women. Beaded bracelets made by the girls from The Divinity Foundation Rescue Center will also be for sale for \$5(cash only). Proceeds from the event will go directly to The Divinity Foundation as they are completing a library for the girls and need new computers.

Classes are being held from 10am-3:15pm and include Core & Cardio, Barre, Cycle, Teen Cycle, Teen/Tween Barre, Guys Only Core & Cardio and Yoga Stretch! All the instructors are on board so please get out there and join them!!!!
