

***Dear Bresnahan School Families,***

We are once again collecting for veterans at the Bedford V.A. Hospital as part of our upcoming Veterans Day program. Boxes will be set up in the main lobby, with the items being delivered to the hospital by Retired Master Sergeant Bruce Hoiseth, and Mrs. Hoiseth, on November 10<sup>th</sup>. Last year, we collected over 1,000 items for our military members in need. This was the largest single donation from a school or private organization ever received at this facility! We will be supporting veterans who are inpatients, outpatients and permanent residents. Please help us help others. Each grade level has been assigned specific items. Thank you for your contributions. It means so much to our veterans.

Sincerely,

Miss Lindsay Bertonazzi

Endicott College Student Teacher

Mrs. Hoiseth's Second Grade Class
