

We are so very excited to see the students after a long and restful summer. New titles have been ordered, and beloved favorites have been refreshed and restocked. Our books are ready to go, and rarin' to be read!

A few items to help us get off to a smooth start:

MISSING BOOKS:

Any student who has an unreturned book on his or her account will not receive their library card until the matter is cleared -- either by returning the book, or by satisfying the fine (\$10 for regular titles and \$7 for summer reading selections).

BOOK RENEWALS: Students will be allowed to renew a book up to three times. If a book has not been returned after the third renewal, it will be marked as overdue, subject to fine.

CHECKOUTS: PreK and K classes will check books out, and return books, when they come for their weekly library special. Grades 1-3 have scheduled weekly class library visits, however, students are welcome in the library any time, classroom teacher's approval.

OVERDUES: A bill will be generated for any book that is 2 or more weeks overdue. Library cards (checkout privileges) will be suspended if accounts are not cleared (by return or payment of lost book fine) after 4 weeks.

INFORMATION/COMMUNICATION: Please refer to www.breshub.com for information, notifications, contact info, and book lists.

**Have a great year everyone, and
*THANK YOU!***
