School Pictures:
Grades 1-3

Deadline to register for the PTO ASEP is Friday, September 23rd at 8pm. There's room for K and 1 students - don't miss out on this wonderful after school opportunity!

Principally Speaking...

The Newburyport Public Schools community including teachers and staff, parents, students, administrators and school committee members have developed a strategic plan which will guide our work for the next three to five years. As a result of this process, the district has developed Beliefs, a Mission Statement, Parameters within which we work, Objectives, Strategies, and Clipper Values. We have also identified our focus strategies for the upcoming year which focus on re-imagining teaching and learning and creating a safe and supportive school. This week we are introducing the Parameters in which we will work.

Parameters

We will make all decisions and take all actions based on the best interest of the student

We will honor the dignity of each person

We will not compromise excellence

We will practice the principles of participatory decisionmaking throughout the organization

We will make optimal use of technology

Amy B. Sullivan
Principal of PK/K

Kristina Davis
Principal of 1-3

Karina Mascia
Assistant Principal of 1-3

Spotlight On...United States Coast Guard Band - Woodwind Quintet

Bresnahan School students enjoyed interactive musical performances offered by the Windwood Quintet last Thursday. This quintet created this presentation based on Pixar's movie, Inside Out. The five emotions; joy, sadness, anger, fear, and disgust were explored through classical music. Students had the opportunity to make connections between music and emotion. Students listened with intent and were able to respond to questions posed. We were very impressed by their ability to listen with voices off and to carry on conversation with their peers with a level one voice. Enjoy the following photos of the wonderful show they put on!
