

YWCA IS ON A MISSION

school's out 2019-2020 **EEC Licensed Childcare** **after-school program info** **annual registration fee: \$30 per child**

Our multi-age program offers a rich, engaging array of activities and experiences within a fun developmentally appropriate program model. Youth participate by making their own decisions about how they prefer to spend their time. Activity choices include outdoor play, gym time, free play, social enrichment and themed activities. A snack is offered each afternoon and spaces are made available to accommodate children who need to work on their homework.

Our program provides a warm, caring atmosphere where children are accepted unconditionally. Our program is inclusive, open to all children regardless of color, race, economic status, religious background, or family composition. Staff members strive to create an environment, which is a careful balance between reliable security and stimulation that fosters exploration and growth.

School-aged programs improve academic performance, social and developmental outcomes, contribute to healthy lifestyle options, and prevent many risky behaviors. The key factors in supporting positive outcomes include access to and sustained participation in quality programming with strong partnerships with schools, families and the community. In collaboration with many youth programs in our area, the **ywca** school-aged program draws on the 40 Developmental Asset Model. This model helps young people grow up healthy, caring and responsible and engages all the adults in children's lives (parents, youth staff and school personnel) in that process.

Our program is designed to:

- ≈ promote a sense of self-worth: A positive self-concept is the bedrock of all learning and growth.
- ≈ foster independence and self-discipline: These two elements are necessary ingredients for problem solving and achievement.
- ≈ provide opportunities for success: This encourages risk taking and appropriate expansion of parameters.
- ≈ meet each child's unique needs whenever possible: A concept which builds trust and a respect for others.
- ≈ create a caring, respectful community: This sense of community grows from the individual program to the school, family, and the community at large.

Monthly installments are based on 10 even payments of your annual contract. Contracted days do not include early release days or school vacations. Monthly tuitions are debited on the 15th of the previous month.

Complimentary membership included with registration.
