

Student Screening Questionnaire

<https://docs.google.com/forms/d/e/1FAIpQLSc0Sb1dTruOz24By02L45XcLb2IVCyHQQZq1AafPzppSlo97Q/viewform?fbclid=IwAR0nUwdLBFrVECaNwqidImuinXUNaRS-XiC5qgQelrQ9vNgbWIMjtAfD1vU>

Tired of looking for the Student Covid-19 Screening Questionnaire every morning? Add it to the home screen of your cell phone and you'll never scroll through emails again.

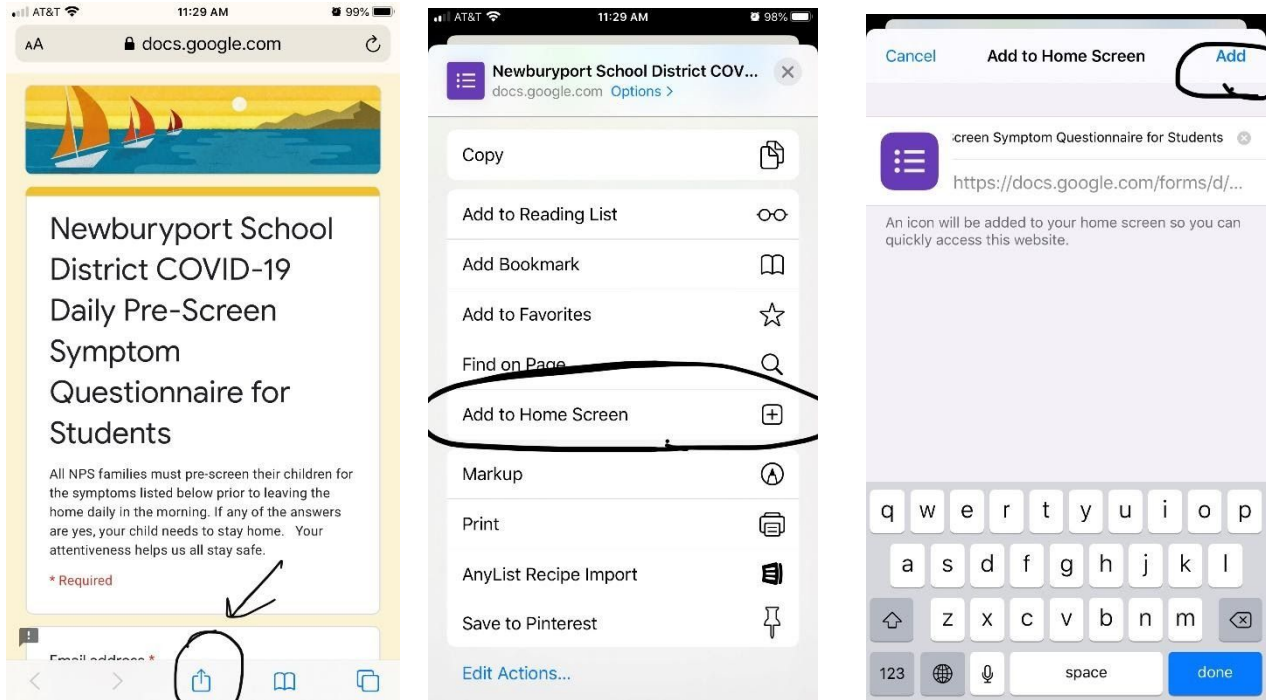

Android

First click on the three dots at the top right of your screen. Then click on "Add to Home Screen."

See the next page for iPhone instructions:

Older iPhones

Click on the folder upload at the bottom of the screen, then select Add to Home Screen, then press Add.

IOS 14

Open the file you want added to your homescreen with Safari

Then click on the folder upload in the bottom as with the older iPhones, select Add to Home Screen
