Coming together to HELP our community

Bresnahan Elementary School is *GIVING* to the community by partnering up with Community Service of Newburyport and their program, Making It Personal.

For the month of May, we come together to collect personal care items for residents in need. Items such as body wash, shampoo/conditioner and laundry detergent are always a necessity, and together we share kindness through giving.

Here is how you can help ... Send items into school with your child.

Our school has collection boxes for your student's donation at Door #1 and #2.

Thank you for your generosity!

ITEMS TO DONATE: (full size only → please no sample or travel sizes)

- Pre-K and Kindergarten students ⇒ body wash and bar soap
- First Grade ⇒ shampoo
- Second Grade ⇒ conditioner
- Third Grade ⇒ laundry detergent/pods (bottles not bigger than 40oz)
